The Scleroderma Foundation uses electronic and traditional media to include, but not limited to: photographs, video, audio footage, and testimonials during the National Conference. All attendees, visitors, speakers and guests are advised that during their attendance at the conference there will be photographs taken as well as audio/video recordings made of various activities, events and sessions. Each registrant grants the conference permission to photograph participants in any session, and to use such photographs and the names of attendees in any materials which either represent the proceedings of the conference or discuss future conferences.

I agree I DO NOT WANT TO BE PHOTOGRAPHED OR VIDEOTAPED
