

July 7, 2021

Dear Potential Sponsor,

The Scleroderma Foundation Ohio Chapter facilitates events to create a community for Ohioans living with scleroderma. Our printed publications, e-newsletter, social media channels and website reach thousands of people. Scleroderma is a highly individualized disease, attacking the skin, lungs, heart, or kidneys. It can be fatal. There is no known cause or cure. We need your help to find a cure. We invite you to sponsor our 2021 Stepping Out to Cure Scleroderma – Cincinnati Virtual Walk on October 2, 2021. This virtual event will be attended by individuals from the Greater Cincinnati area and other parts of Ohio.

Sincerely,

*Tina L. Fellows*

Tina L. Fellows, Executive Director, Scleroderma Foundation Ohio Chapter
