

Fall Newsletter

Balancing traditional and non-traditional medical care.

After a diagnosis like scleroderma, and even throughout care, there are a lot of treatment options. Do you want to pursue traditional medicine to help with symptoms? Are you interested in a holistic approach? What about a combination of the two?

Keeping your information up to date with the Michigan Chapter.

As you know, the Scleroderma Foundation Michigan Chapter sends updates, event details, news, research findings and other important information to members on a regular basis. To make sure you're getting this info – and to keep our database updated – we ask that you inform us of changes to your email, phone number, address, etc.
