## **The National Network of Depression Centers (NNDC)**

The National Network of Depression Centers (NNDC) is another national online counseling all over the U.S. that develops and fosters connections among members to use the power of their network to advance scientific discovery and to provide stigma-free. Their main focus is to reduce depression through their services and programs, and to transfer lives through innovations in treatment. Biomarker Discovery Project, Mood Outcomes Program, and Visiting Professor Program are some of the ambitious programs the NNDC provides to make a difference in the field of depression and bipolar disorders

**The NNDC contains of 21 centers of excellence and 4 associate members.**

### **Contact Request**

- The NNDC office is the coordinating center for the network and is unable to schedule appointments or provide referrals to clinics.
- If you would like to make an appointment, please call one of the Member Centers (mentioned below) directly or browse additional resources by state on the Get Help page.
- You should note that NNDC staff or members cannot respond to email requests for specific recommendations regarding treatment.
- Diagnosis and treatment are complex and highly individualized processes that require comprehensive face-to-face assessment.
