### Put on your hideous socks and Stampede toward a cure

2020 marks 41 years of Stampede Scleroderma: a 5k run and one-mile walking fundraiser. On June 7, we'll be putting on our hideous socks and returning to the Detroit Zoo for more family-friendly fun.

### Looking for support group leaders

Do you have a knack for leadership and a desire to help the scleroderma community? We're looking for support group leaders across the state. To help prepare you for these sessions, all leaders will undergo a mandatory training session.

### Mark your calendar for our 2020 support groups

As part of our three-fold mission of support, education and research, the Michigan Chapter hosts monthly support groups around the state. The groups are for those with scleroderma, caregivers, friends and families, and cover a wide range of topics. We hope you'll join us at a support group near you.
